## **PUBLIC QUESTIONS**

A question was asked regarding the removal of some trees in the Isle of Wight Council (IWC) owned Appley Park. It was noted that this was probably due to the trees being subjected to diseases such as Ash Dieback. Any trees removed should be replaced in due course by the IWC.

### **1/24 APOLOGIES**

Apologies were received from Cllr Charles Chapman and Cllr Tom Hanley.

### **2/24 DECLARATIONS OF INTEREST**

None received.

### **3/24 REQUESTS FOR DISPENSATIONS**

None requested.

### **4/24 MINUTES**

The minutes to the previous meeting held on [5 December 2023](#) were reviewed.

### **RESOLVED:**

**THAT the minutes to the meeting held on 5 December 2023 be agreed.**

### **5/24 MEMBERS QUESTION TIME**

Cllr Conyers enquired about the recent application for a premises licence for Thompsons restaurant in St Thomas's Street and whether the loss of office space had any implications for Ryde. It was noted that any implications would be minimal as office space would still be on the top two floors and the new Michelin starred restaurant would be a much needed addition to Ryde's hospitality portfolio.

## 6/24 RATIFICATION OF OFFICER DELEGATED DECISIONS

Owing to the 2023 - 2024 Christmas and New Year holiday period, it was agreed at the previous meeting that any decisions, including planning and licencing applications taken between the 6 December 2023 and 10 January 2024, would be delegated to the Place, Neighbourhood and Planning Officer and Committees Co-ordinator in consultation with the Chair and Vice Chair of the Committee. Members were therefore required to sanction the decisions taken.

After a proposer, seconder, and a vote via a show of hands, the following was:

### **RESOLVED:**

**THAT the decisions taken by the Place, Neighbourhood and Planning Officer and Committees Co-ordinator in consultation with the Chair and Vice Chair between Wednesday, 6 December 2023 and Wednesday, 10 January 2024, be ratified.**

## 7/24 PLANNING APPLICATIONS

The following planning applications were considered by the committee:

- i. Application No: [23/02135/RVC](#)  
Parish(es): Ryde Ward(s): Haylands and Swanmore  
Location: St Anthony's, Playstreet Lane, Ryde, PO33 3LQ  
Proposal: Variation of Condition 2 on [21/00593/HOU](#) replacement raised roof, reduction of external doors, alterations to layout, stand-alone solar array.

This application was to change the maximum gradient on the 'living roof' as it was not possible to create such a roof on the previously agreed application.

Ryde Town Council had already registered its opposition to the original application in May 2021, but approval had since been granted. Members therefore agreed to maintain the original objection it submitted, namely:

*Members of the committee were of the view that crossing a well-used footpath (R111) is not acceptable and the access to the property by the proposed means should not be allowed. The proposals in this application affect the public's safety and their enjoyment of the footpath.*

This latest application had not prompted any objections from members of the public, statutory consultees, or the IWC's Tree Officer

After a proposer, seconder, and a vote via a show of hands, the following was:

### **RESOLVED:**

**THAT the objection submitted on 6 May 2021 be maintained.**

- ii. Application No: [23/02177/FUL](#)  
Parish(es): Ryde Ward(s): Ryde North West  
Location: 35-36 High Street, Ryde, PO33 2HT  
Proposal: Change of Use for the conversion of first and second floors to a 7 bed HMO and alterations to front and rear elevations.

It was noted that Housing Renewal and HMO licensing had no objection to the application but did state that because there are kitchens provided in each unit, they would not require an HMO license.

Hampshire and Isle of Wight Police did have some concerns over the security of the cycle storage and parking provision however parking was not required in the area.

One member of the public had expressed some concerns around access. However, this would be conditioned by building regulation requirements.

After a proposer, seconder, and a vote via a show of hands, the following was:

**RESOLVED:**

**THAT the Ryde Town Council raised no objection subject to there being suitable, sufficient and secure storage and access for cycles.**

- iii. Application No: [23/01971/HOU](#)  
Parish(es): Ryde Ward(s): Ryde South East  
Location: 112 Great Preston Road, Ryde, PO33 1DD  
Proposal: Retrospective permission for retention and completion of single storey sun room extension and associated rear decking and access ramp (revised description)(re-advertised application).

Members noted that when this application had previously been considered in December 2023, concerns had been raised around the issue of overlooking. To mitigate against this, Ryde Town Council requested that obscured glass was fitted to provide a permanent solution. The revised plans had indicated that this would now be the case.

Regarding the issue of members having sight of the Planning Inspectors and Enforcement reports, it was noted that the Inspectors report would be issued after any decision was made by the Planning Authority (IWC). There was also no notice served with regard to enforcement, but members were advised that an open enforcement case with the rear extension was still subject to investigation.

It was further noted that undertaking works subject to planning control without permission having been granted was not an offence and as such, the planning enforcement team would not consider any further action on such matters until the planning application has been determined.

After a proposer, seconder, and a vote via a show of hands, the following was:

**RESOLVED:**

**THAT, subject to the obscured glass being installed as indicated in the plans, Ryde Town Council raised no objections.**

The following planning applications were considered under delegated powers by the Chair and the Place and Neighbourhoods Officer, and they proposed no objections:

- i. Application No: [23/02223/FUL](#)  
Parish(es): Ryde Ward(s): Binstead and Fishbourne  
Location: The Bungalow, Quarr Hill, Binstead, Ryde, PO33 4EH  
Proposal: Demolition of an existing dwelling; proposed replacement dwelling, parking and detached double garage; associated landscaping (Revised scheme)
- ii. Application No: [23/02231/LBC](#)  
Parish(es): Ryde Ward(s): Ryde North West  
Location: 9 St Thomas Street, Ryde, PO33 2PA  
Proposal: Listed Building Consent for works to make internal doors fire resistant and replacement internal door
- iii. Application No: [23/01390/HOU](#)  
Parish(es): Ryde Ward(s): Ryde West  
Location: 38 Hamilton Road, Binstead, Ryde, PO33 3QZ  
Proposal: Demolition of garage; proposed single storey side extension; render to all elevations of main dwelling, cladding to front elevation gable end, raised decking with balustrading (revised description)(readvertised application)
- iv. Application No: [23/02246/HOU](#)

Location: 9 Wykeham Close, Binstead, Ryde, PO33 3ST  
Proposal: Demolition of garage; proposed replacement detached garage
- v. Application No: [23/02255/HOU](#) (LBC Application No - [23/02256/LBC](#) )  
Parish(es): Ryde Ward(s): Haylands And Swanmore  
Location: Glebe Cottage, 11 Wray Street, Ryde, PO33 3ED  
Proposal: Demolition of garage, replacement gate (revised scheme)

### **RESOLVED:**

**THAT Ryde Town Council raised no objections to the above five applications.**

*Ryde Town Council therefore objects to the application on the following grounds:*

- a) *That the remedial works as carried out have had a detrimental effect on the Ryde Conservation Area.*

Parish: Ryde Ward: Ryde North West  
Decision Date: 05/01/2024

*Ryde Town Council objected to the application on the following grounds:*

## 9/24 **PLANNING ENFORCEMENT OPTIONS**

Following previous debates around the issue of engaging the services of IWC Enforcement Officers, members were advised that a decision was required owing to the imminent 2024-2025 budget setting which needed to include any obligation to spend on Enforcement.

Members were reminded of the options included in the report, which were:

- Option 1. Pay nothing and rely on the existing Isle of Wight Council Enforcement service – No cost.
- Option 2. Engage Isle of Wight Council Enforcement Officers for two days per week – £15,769.60 Minimum Per Anum.
- Option 3. Write to the owners with untidy buildings and provide funding – £10,000.00 Maximum Per Anum.
- Option 4. Improve Town Centre with £20 million levelling up fund – Cost unknown.

Prior to any decision being made, members noted that utilising the IWC's services could result in having a number of low priority enforcement issues being addressed, but at the expense of more serious enforcement breaches, such as the former Royal York Hotel, which had been a very emotive case with Ryde residents.

There would therefore need to be reassurance that should the Town Council commit to spending on enforcement services from the IWCI, high profile breaches would be addressed accordingly.

Members also agreed that further assurance was given that when working on behalf of Ryde Town Council, IWC enforcement officers would be based in Ryde as required and not working remotely.

It was therefore agreed that these assurances would be sought by the Place, Neighbourhood and Planning Officer and be a prerequisite of any commitment to spend.

After a proposer, seconder, and a vote via a show of hands, the following was:

**RESOLVED:**

**THAT Option 2 be agreed in principle, subject to assurances that high profile cases such as the former Royal York Hotel be addressed as and when requested by Ryde Town Council and that IWC Enforcement Officers work from Ryde as required when addressing enforcement cases.**

**10/24 TOWN CENTRE BOUNDARY**

Members were advised that since the previous meeting, the Place, Neighbourhood and Planning Officer had been in contact with the Isle of Wight Councils Cabinet Member for Planning, Coastal Protection and Flooding who had expressed their support for the proposals and would look to take the matter further.

**11/24 DATE AND TIME OF NEXT MEETING**

**RESOLVED:**

**THAT the next meeting is held on held on Tuesday, 6 February 2024 at 7.00pm.**
