- 1.3. The system comprises 2 fixed cameras.
- 1.4. The system does not have sound recording capability.
- 1.5. The CCTV system is operated by Network Ryde and the deployment is determined by the Senior Youth Worker at Network Ryde under guidance from the Ryde Town Council Clerk.
- 1.6. The CCTV is monitored from Network Ryde offices and remotely by the Senior Youth Worker and other staff as necessary.
- 1.7. The CCTV Scheme is registered with the Information Commissioner under the terms of the Data Protection Act 2018. The use of CCTV and the associated images is covered by the Data Protection Act 2018. This policy outlines the Council's use of CCTV and how it complies with the Act.
- 1.8. All authorised operators and employees with access to images are aware of the procedures that need to be followed when accessing the recorded images. All employees are aware of the restrictions in relation to access to, and disclosure of, recorded images. Network Ryde recognises that during periods where children and young people are present in a controlled environment that parents and guardians may have concerns with the presence of live CCTV observation.
