

RYDE

TOWN COUNCIL

Ryde Town Council is pleased to offer a new scheme of subsidised hanging baskets for an effective and colourful way of enhancing the town next summer. Baskets will be prepared by Haylands Farm and are available for a subsidised price of £10.00 each (inc. VAT) which includes plants, delivery, disposal at the end of the season and storage over winter.

Delivery of the baskets will take place during the first two weeks of May and collection once the summer season is over will be at the beginning of October.

Please register your interest with this form by 13th December 2022 to Ryde Town Council, 10 Lind Street, Ryde PO33 2NQ – or email to: Annette.steed@rydetowncouncil.gov.uk

	Quantity	Price / basket
Wicker basket with a mixture of bedding plants		£10 (inc VAT)
TOTAL		

I confirm that I have the authority to place this order and that I will install a bracket to my frontage. Signed:

Please note that unless we have a minimum uptake of 60%, we will unfortunately not be able to go ahead with this scheme. Once the scheme is confirmed, you will receive an email with payment details to settle your order.

Please note that all hanging baskets will require a bracket, which (for insurance purposes) will need to be sourced and installed by each business. A pulley system can also be sourced for as little as £4 to make it easier to water.
